The Western Maryland Children's Center, located in Washington County, is one of seven secure detention facilities operated by the Maryland Department of Juvenile Services (DJS). The center serves 24 boys primarily from the Western Region, which includes Allegany, Garrett, Frederick and Washington Counties. The facility implements a structured behavior management program. All youth receive comprehensive evaluations that include medical, mental health, educational, and substance abuse screening during admission. Specialized programming includes life skills, substance abuse education, and anger management groups. All youth are afforded access to medical services. Recreational, religious, and volunteer programs also are provided, as well as a variety of enrichment activities.

The Maryland State Department of Education provides accredited educational and vocational programming to each youth at the facility. Eligible youth may obtain their General Educational Development (GED) or concentrate on advanced studies.
