DJS COVID-19 RESPONSE OVERVIEW

DJS implemented health and safety measures, in adherence to CDC and MDH guidance, to prevent the spread of COVID-19 in DJS Detention & Committed Facilities.

- Increased Hygiene
- Increased Sanitation & Cleaning
- Screening Prior to Entry
- Social Distancing Measures
- Limited Non-Essential Facility Transfers
- Created Admission Intake Units
- Created Medical Isolation Space
- Implemented Group Living Strategies
- Provided PPE to Staff and Youth & Monitored Utilization
- Increased Quality Assurance
- Contact Tracing Protocols
- Prepared Supplemental Workforce
- Developed Testing Capacity and Protocols

DJS designed and implemented community supervision strategies aimed at providing a continuity of supervision and access to community based supports.

Maintaining 24/7 Community Detention Operations
Implementing Virtual Supervision
Developing Virtual Programming
Supporting Connections to Community Based Resources
Conducting Weekly Placement & Detention Reviews

DJS implemented a variety of effective communication strategies.

- Weekly Stakeholder Calls
- Live Virtual Staff Events
- Live Virtual Family Events
- Daily Updates on the DJS Website
- Daily Updates on the DJS Hotline
