\*All data exclude transfers within and between programs/program types and therefore may not add up to the totals presented. Placement data may not be comparable to DRGs prior to FY 2019.

\*\* Data for Group Homes can not be compared to previous *Data Resource Guides*. Data for Silver Oak Academy and Intermediate Care Facilities for Addictions (ICFA) were reported separately in previous DRGs. They have been merged under Group Homes due to program certification and closures.

## RELEASES BY COMPLETION STATUS<sup>\*</sup>, FY 2021

\*Release completion status is based on case worker determination. Youth released home or to a step-down program are included as successful, and youth transferred to another program are included as transferred.

ASSIST is a live database; therefore, updates made subsequent to these data being run will not be included. Percentages may not add to 100% due to rounding. Data may not be comparable to previous *Data Resource Guides* due to methodology changes. VOPs are categorized by the original offense.
