D. Ms. Reusing forwarded the following motion:

*Motion to form a workgroup to explore the options for opening or converting an existing school with an emphasis on vocational training and GED preparation. In terms of membership, Vinny Schiraldi would be the head of the workgroup in his capacity as a board member. Superintendent Pogue would be a participating member and would assign her staff to the workgroup as needed. Hilma Munson, as JSEP legal counsel, will also be a member of the workgroup. I would also like to encourage any member of the board to attend any or all of the workgroup meetings. And if there is a quorum of board members attending any meeting, it would then be a public meeting. Board members can attend meetings and be members of the workgroup as well.*
