Green Ridge is a treatment program for males ages 13-18. Programming includes STARR (the DJS behavioral motivation program), Seven Challenges (evidence-based drug treatment), START (evidence-based cognitive behavioral group intervention focused on developing youth's social skills, anger control, and moral reasoning), and TAMAR-Y (curriculum to address trauma and teach coping skills). Substance abuse treatment is offered on a continuum from early intervention to clinically managed medium intensity, as appropriate for the individual participant. Behavioral Health staff provide individual, group, and family counseling services. Family engagement in treatment planning is encouraged. Regular family interaction is encouraged through family visits, phone calls, special family day activities at the facility, and home visits to help youth successfully transition back to the community. Telepsychiatry services are available to all youth. MSDE provides educational services on a 12-month schedule, with six hours of daily instruction five days a week in English, mathematics, science, social studies, health and life skills. Additionally, MSDE offers OSHA Certification and individualized programs to prepare youth for the GED exam.
