Note: As of July 2013, assault counts do not include fights. Assault is defined as any instance in which a youth or staff member is involved in a physical conflict with another individual(s), even if no one is injured. This includes unprovoked and provoked attacks and sexual assaults. Distinctions should be made between assaults and fights where fights are defined as mutual physical attacks. PbStandards.org

This includes unprovoked and provoked attacks and sexual assaults. Distinctions should be made between assaults and fights where fights are defined as mutual physical attacks. PbStandards.org
