\*Data represents medical recoveries as determined by the Department's medical professionals. 15 youths were discharged home prior to medical recovery, and 2 youths were sent to placement prior to medical recovery. These 17 cases are not included in the total number of youths with a recovery date.

\*\*Reported data includes staff who have medically recovered as well as staff who were able to return to work after illness. Data does not include the following: 16 staff who did not return to work after COVID illness as a result of being separated from employment and 2 COVID-related deaths.

\*\*\*Includes cases tested outside DJS facilities but medically isolated at DJS facilities (2 at CYDC and 1 at LESCC).

\*\*\*\*Thomas J.S Waxter Children's facility was closed on March 2, 2022.

Note: DJS recently revised the methodology for reporting staff data to focus on facility staff returning to work duties instead of a presumption of medical recovery. The youth data focus on the location where youth was tested.
